---

I'm a self-taught JavaScript developer who's passionate about coding. I love open source and building side projects

## TRAINING AND EXPERIENCE

2020 - PRESENT

### BUILDING SIDE PROJECTS

During my learning process I've built many side projects that could be found over [here](#)

### COLLABORATE WITH OTHER DEVELOPERS

I also help and collaborate with other developers either on their open source or personal projects, to get experience on how to work with a team

## SKILLS

- Frontend development:
  - HTML and CSS
  - Pug, sass
  - Bootstrap
  - vanilla JavaScript
  - VueJs
  - Vuetify
